6. Party

Do do do do do ...

There's a party going down
There's a new thing in town
Just a friendly groovin' sound
What a blow to swing around

Party / Party hearty / Dancy arty / Hearty arty

Gettin' down, on the dance floor
Dance around, don't be a boor
Havin' fun, let your life restore
Everyone, in the room explore

Party / Smarty smarty / So tarty / Wear your cardi

Have a drink, like it was before
Sweat it out, one and all to soar
Swing your arms, just look to adore
He and she, all behind the door

Party hearty / Party dancy / Party arty / Party Yeah Woo ...

Do do do do do ...

Party / Hearty / Farty / So arty Wow Yeah ...

Do do do do do ...

Party
